

"Well done," replied Mummy. For saying such brave words.
Before Allah sent Corona, we forgot that He deserves our love first.

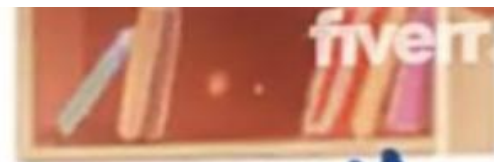

Allah removes one's sins when they feel any type of pain.
We pray that through all of Granny's suffering, Jannah

**Daisy raised her trunk and cheered,
"Hooray! We have needed one for a long
time. The other one is so small. What can I
do to help?"**

**Soon Dennis, a tall giraffe peaked his long
neck over Daisy and Ruben and whispered,
"What is the news? I want to hear all about
it!"**

Ahhhhhhhhhhhhhhhhhh!
sophia SHOUTED,

"There's a spider in the library!"

THE CHILDREN SCREAMED...

they went running! The books went flying! There was

It was a very regular day at
Riddleton Elementary School.

The sun was shining warm and bright, and all was well in Sunnyside Town.

As usual, the children piled into school, eager

Here's something that makes little sense, but I'll try to explain it just the same.

This is where we introduce the villain of our story:

The **L**YING **L**ION
Called **RACISM**.

"Who ate all the cookies?"
Asked an older sibling.

"Joey did,"

said the child wiping crumbs
from their mouth.

Joey did like cookies, who
doesn't, but Joey much preferred
fruit. Plus, it would be obvious
if Joey ate the cookies; the
crumbs would get caught in his
fur.

On Valentine's Day Lovely's brothers and sisters laughed at her because she always got up early and baked cookies for her entire family and all her friends. She would go around the entire neighborhood and put handwritten valentines in everyone's mailbox along with a cookie with each person's name written in icing. She would even plan a Valentine's Day carnival for all the bunny babies.

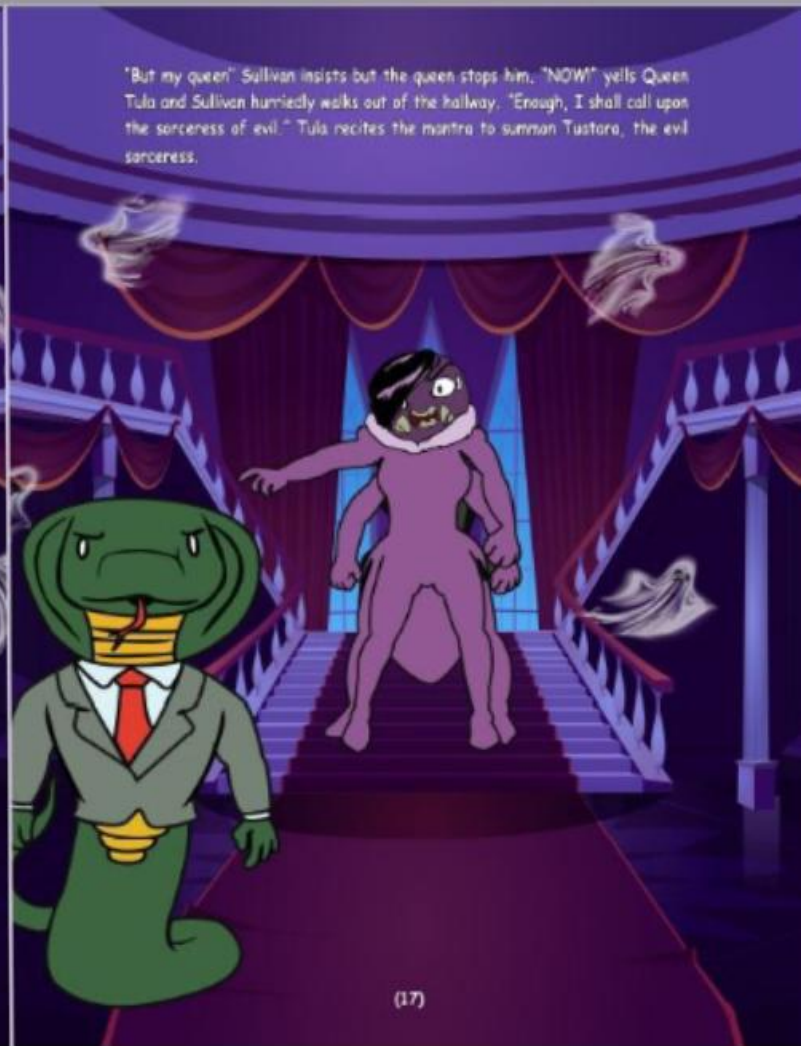

Her absolute favorite thing to do was on the night before Valentine's Day, while everyone was sleeping. Lovely would stay up late baking a huge carrot cake for her mommy, daddy, sisters and brothers. Every year the big cake had the same words written on top. "Lovely Loves Valentine's Day and Lovely Loves You".

"One job. I gave you only one job, and you failed me. Shame on you!"
Queen Tula continues to yell at Sullivan. "You are nothing but a piece of rubbish!"
"My queen, I beg your pardon. I tried with all my powers to seize the boy, but I don't know what happened. He ran away. I beg for your mercy." says Sullivan.
Queen Tula yells, "GET OUT OF MY SIGHTT"

(16)

"But my queen!" Sullivan insists but the queen stops him. "NOW!" yells Queen Tula and Sullivan hurriedly walks out of the hallway. "Enough, I shall call upon the sorceress of evil." Tula recites the mantra to summon Tustora, the evil sorceress.

Oh, tired little one, now it's time to say goodnight.
Sleep softly under the glow of your warm night light.

In the morning, we'll see each other again, and you'll tell
me of your dreams, my sweet little friend.
But before you tell me, I'll
whisper something
just for you: you,
little one, are
my dream
come true.
